

# THE WATSONEER CAN-O-TRON

Turn any empty, household can into an amazing, imagination-fueled toy to inspire hours of adventure and play.

## INSTRUCTIONS

1. Clean and wash an empty, standard-size food can and remove the label with water and soap.
2. Print out the CAN-O-TRON label on a color printer on a one-sheet of sticky label paper. Ordinary paper will work too, but you'll need Scotch tape.
3. Trim the edges of the CAN-O-TRON label so that all the white space is removed, leaving only the label.
4. Carefully wrap the trimmed label around the can and secure it in place.
5. Begin your adventures!

**IMPORTANT!:** AFIX THE RED "DANGER-AREA" TO THE CAN FIRST SO THAT WHEN THE LABEL IS WRAPPED AROUND THE CAN THE DANGER-AREA GETS COVERED.

# THE MOST POWERFUL LABEL IN THE UNIVERSE!
